Dear EPA Region 10: United States Environmental Protection Agency ,

Pursuant to the state open records law Or. Rev. Stat. Secs. 192.410 to 192.505, I write to request access to and a copy of air quality reports of Newberg, Oregon. Specifically from 1900 - present day. Any additional reports related to the Newberg mill, previously known as: Charles Spaulding's sawmill, Spaulding Pulp and Paper Company, Jefferson Smurfit Corporation, SP Fiber Technologies, and WestRock Newberg mill. If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address.

I agree to pay any reasonable copying and postage fees of not more than \$0. If the cost would be greater than this amount, please notify me. Please provide a receipt indicating the charges for each document.

As provided by the open records law, I will expect your response within seven (7) days. See Or. Rev. Stat. Sec. 192.465(2).

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

I would note that willful violation of the open records law can result in the award of litigation costs, disbursements and reasonable attorney fees. See Or. Rev. Stat. Sec. 192.490(3).

Thank you for your assistance.

Sincerely,

Sydney Nicole West
